## Chillicothe Commandery #8

“The Christian Order of Freemasonry”

Eminent Commander Sir Knight Eugene L. Hardman would like to invite all Sir Knights and their Ladies to attend the Annual Inspection of Chillicothe Commandery #8 on Saturday March 15th with the banquet to begin promptly at 12:00 noon. We will commence with the Full Form Opening between 1:15 and 1:30 with the Order of the Temple to follow immediately. The day should be completed by about 5:30 pm. if not before. We would love to see a large turn out of Sir Knights and Ladies. Uniforms are not required but may be worn and we certainly do need additional help forming the lines and escorts.

A ladies program is planned for an enjoyable afternoon which will include a discussion around herbal teas and other medicines that everyone will find interesting and informative. I imagine an equal amount of time will be spent catching up with old friends from past years and getting to know new friends attending this year.

## Service Award Presentations

Two individuals were honored at our February Commandery stated meeting who were due their 50 Year Service Presentation Awards. Eugene Justice, Past Grand High Priest and David Fouch, Past Commander were each presented with a 50 year pin from Council and Commandery respectively. What a pleasure it is to have such knowledgeable and distinguished Masons among our ranks. Thanks for all you do!

## Masonic Temple Association

The Masonic Temple Association held a special meeting on Wednesday February 19th at 12:00 noon to discuss future improvements and/or replacement plans for the current 5 story elevator that services the building.

Elevator Solutions, who is our service company for the elevator attended the meeting to advise the board on what options would be best available. Their opinion was the current elevator could remain in service and good repair for another 10 to 15 years with minimal upkeep and resources. Parts for the elevator car itself and other components remain readily available except for the main hydraulic valve in the plunger system. They were asked to secure a used main valve for replacement parts should they find one available as it is no longer being made.

It was decided, the Board would need to hire a planner or developer to draw up what our elevator service might look like in the future and how it would fit the building for best access and delivery.

Your Temple Board is working hard to foresee and plan for major expenses that may arise in the future so we have a plan already in place and the ability to move forward in a more timely manner.

### Transportation to Lodge Meetings / Functions

It has come to our attention there may be a need for some of our members who are no longer able to drive at night or simply do not feel comfortable driving to our meetings who may want to be picked up prior to the meeting and/or taken home when the meeting is concluded. If you are in a situation that you would find this service helpful, several of your Brothers have agreed to help with this endeavor to ease the burden of your family and friends.

Simply call the Lodge at 740-774-3485 at least 24 hours prior to the function you wish to attend so arrangements can be made of who is available to pick you up or drop you back off. Leave a message with your name, phone number and address to make a better choice of who your driver will be. The WM Terrell Fairrow has also asked that his cell phone number 740-701-1946 be included if you should have any questions or need further assistance.

Anyone willing to help pick up a member on your way to Lodge should make your wishes known to the secretary.
