Message from Michael C. Smallwood, most recent Past Master of Scioto Lodge #6

My Brothers,

As the year 2025 draws to a close and my time in the East comes to an end, I find myself reflecting with gratitude on the journey we have shared together. Serving as Worshipful Master of Scioto Lodge No. 6 has been one of the greatest honors of my life, a year filled with fellowship, learning, and renewed commitment to the principles that define our Craft.

From the very beginning, my goal was to strengthen our bonds of brotherhood and ensure that our lodge remains a place where friendship and Masonic light flourish. Throughout this year, we have welcomed new Brothers into our ranks, performed our ritual with dignity and purpose, and continued our proud tradition of service within the community. Each meeting, degree, and event reminded me why this lodge and this fraternity endured through the ages.

I want to take a moment to extend my deepest appreciation to our Past Masters, whose outstanding support and wise counsel have guided me every step of the way. Their experience and steady leadership have been a constant source of strength and reassurance. The legacy they have built continues to inspire all who follow, and I am profoundly grateful for their guidance and example.

To my officers and to every Brother of Scioto Lodge No. 6, thank you for your dedication, cooperation, and commitment throughout the year. The success of our lodge rests not on one man, but on the collective efforts of many united in friendship, morality, and brotherly love.

As I prepare to pass the gavel to Bro. Nicholas White, I do so with complete confidence in his leadership and vision for the coming year. I know he will continue to uphold the high standards of our lodge and guide us forward with wisdom and integrity.

May we all continue to meet on the level, act by the plumb, and part upon the square, ever mindful that our true labor as Masons is to build a better world through the work we do in our hearts and in our communities. This reminds me of a favorite quote:

“We make a living by what we get, but we make a life by what we give.”
by *Bro. Winston Churchill*

Thank you, my Brothers, for allowing me the honor and privilege to serve you as Worshipful Master.

Fraternally yours,
Michael Smallwood
Worshipful Master, 2025
Scioto Lodge No. 6, F. & A.M.

Scioto Lodge Christmas Party

Scioto Lodge #6 held their annual Christmas Party on Friday night December 12th with a very un-traditional carry-in dinner. A great time was had by all who attended. As you can see by the photos, we had a very special visitor when Santa Claus stopped by to hear Christmas wishes and spread Holiday cheer.

Scioto Lodge #6 Rings Bell for Salvation Army at Christmas

Once again this year, members of Scioto Lodge assisted the Salvation Army by manning the red kettle collections bucket at the Western Ave. Kroger Store. Brothers signed up for 2 hour shifts from 10 am until 6 pm where they greeted customers and shared Christmas spirit with the community. Special Thanks goes out to Michael L. Hines who organized the event and sang Christmas carols during the many shifts that he covered. Below are pictures of only a few of the brethren who participated by braving the cold conditions on most days. A great time was had by all who helped and Thank You to EVERYONE who volunteered!

The Trestle Board Electronic Delivery

We would like to research if there are individuals who receive a copy of the printed Trestle Board that would be interested in receiving it in color via way of an electronic email instead of the current hard copy in the US mail.

You could print off the calendars to hang in your home if you wished or simply read its contents on your electronic device or home computer at your leisure. This would also enable you to access it multiple times wherever you may be for reminders, etc.

This would accomplish several things. First, it would cut Lodge costs of printing and mailing the Trestle Board directly to everyone's home via US mail. Second, you would receive a better publication with it being sent in color format. And Third, you would receive it in a more timely fashion as we would control how quickly you would receive it thus not missing any first of the month events.

If interested, please send your Full Name and Email Address to:
sciotolodge6@outlook.com

Please write Trestle Board in the subject line. Thanks!
